

Association
"Russian House
for International
Scientific and
Technological
Cooperation"

DIPLOMA

Association "Russian House
for International Scientific and Technological Cooperation"

Awarded

Paweł MALINOWSKI, Józef Szczepan SUCHY

For the invention

Smart Foundry – intelligent knowledgebase management system.
Method for casting using simulation of casting process, system for
casting using simulation of casting process and data base

SIIF 2014

The 10th Seoul International Invention Fair

Seoul, Korea, November 28TH – December 1ST, 2014

First Deputy Director General

V. Petryashev
